The May 07th, 2022 Batfish & Oklahoma Amateur Radio Club meeting was a Zoom only meeting with nine in attendance. Mike Manring called the meeting to order at 10:02 local time.

The Treasurer had reported that the Club has a Cash-On-Hand balance of \$3,022.27.

Old Business:

1) A report was made of the April 8th & 9th Green Country hamfest. Also, the Club's tower trailer display at the event was reportedly well received.

2) Museum Ships Weekend, scheduled for June 4, 5, and 6, was discussed. It was confirmed that we have verified permission from Victor Lezama for the Club to operate from the Museum parking lot. Both of the Club's call signs will be used. Rental of a portable toilet was discussed. Phone calls were made during the meeting for quotes, but no company seemed to be open at the time. A motion was made to allow John Martin to arrange rental of a portable toilet for up to \$250.00 for the period; the motion was seconded, and passed. A dinner for the event was discussed, but no firm decisions were made.

3) Jim Erb reported that due to recent storms, he has suffered some equipment damage.

4) Our Club has been invited to the Broken Arrow Club for Field Day this year. We will use the Oklahoma call sign. A GOTA station will be operational, and Dan Woods and Wade Harris plan to run a "Newbie" educational program.

New Business:

1) Wade Harris reported that the Facebook presence of the Friends Of The Muskogee War Memorial Park, a 501(c)(3) entity, had experienced problems in the mid-to-late April time frame.

Being no further business, the meeting was adjourned at 11:19.
